

# Make A Life Stewardship Campaign

**“We make a living by what we get. We make a life by what we give.”**

This is a quote from Winston Churchill. What an amazing world this would be if everyone practiced making a life! You can MAKE A LIFE by giving of your time, talents, treasures, and prayers.

MAKE A LIFE by giving time to greet on Sundays. Time to make coffee and set out doughnuts. Time to teach Sunday school. Time to hand out bulletins or take up the offering. Time to serve at Roberts Park. Time to collect socks for our veterans. Time to fold the newsletter. Time to visit the sick and the shut in's, or any of the many deserving ministries of your church.

MAKE A LIFE by giving your talents to sing, play instruments, or running the soundboard. To compose the newsletter, the bulletin, or even a hymn. The talent of painting the basement, of planting flowers, or making a floral arrangement. The talent of technology. The talent of making prayer blankets or turbans for cancer victims. The talent of cooking, and serving breakfast or any of the many other special gifts given to AUMC by its members.

MAKE A LIFE by giving your treasures. By giving peanut butter and jelly to Fletcher Place. By giving to support a motorcycle ministry. By giving to support our youth. By giving to support our missionaries. By giving to support Bible School. By giving to support UMCOR or any of the numerous other projects supported by AUMC.

I challenge anyone who attends AUMC to tell me that they have not been touched by some outreach of this church.

Last year we asked that you “give until it feels good”. This year I ask that you “give until it feels right”.

We MAKE A LIFE by what we give. Take this opportunity to prayerfully consider what to give back to God. There are countless other endeavors to support, all of them deserving, but where do you rate the importance of God's work?

Please support the MAKE A LIFE STEWARDSHIP CAMPAIGN with your time, talents, treasures, and prayers so that AUMC may continue to do God's work.

**WE MAKE A LIVING BY WHAT WE GET. WE MAKE A LIFE BY WHAT WE GIVE!**
