

AUMC Cleaning Policy During Covid-19

General Cleaning of Rooms that Have Been Used Within 7 Days

- Rooms that are not in use will be cleaned and then the door shut with a sign on it, keeping people out of the room until the next time it needs to be used. This will prevent people spreading germs.
- All hand sanitizer pumps will be disinfected with Clorox Disinfecting Wipes, Clorox Bleach Cleanup, or Lysol All Purpose Cleaner.
- All tables and metal chairs will be cleaned with soap and water first if there is dirt or fingerprints. Then, cleaned with Clorox Bleach Cleanup or Lysol All Purpose Cleaner.
- All door handles and light switches will be disinfected with Clorox Disinfecting Wipes, Clorox Bleach Cleanup, or Lysol All Purpose Cleaner.
- All countertops (kitchens, bathrooms, Narthex, Gathering Place) will be cleaned with soap and water first if there is dirt or fingerprints and then disinfected with Clorox Bleach Cleanup or Lysol All Purpose Cleaner.
- Disinfect water fountains with Clorox Bleach Cleanup, Lysol All Purpose Cleaner, or Clorox Disinfecting Wipes.
- Trash/Recycle emptied.
- Sweep/Vacuum/Mop with disposable Clorox disinfecting mop pads (where applicable).
