Serving September

September is the month we at AUMC set aside for serving. "Serving September" is a month where we encourage every member to look inward and devote some extra time to serving in some extra way. This can be with your family, small group, Bible Study group, our planned churchwide activities or a need that you know of personally. "...not looking to your own interests but each of you to the interests of the others" Philippians 2:4.

Back by popular demand on Sunday, September 22nd, we will have our rice meal pack at 2:00 pm in the MPR/Gym! Each self-sustaining meal gives up to six people the energy to get through the day. We are planning to pack 1,360 bags or 8,160 meals!

At the same time, also in the MPR/Gym, we will be assembling two Kits for Midwest Missions. Midwest Missions motto is "Sending Hope & Encouragement around the world and around the corner." One kit will be a "Personal Dignity Kit," their most requested kit, and the other is a "Menstrual Hygiene Kit." Both the meal pack and the kit assembly fulfill Midwest Missions Mission: "Bringing the hearts & hands of God's people together to transform resources into relief."

For many years, AUMC has served meals at "Soup's On" ministry at Roberts Park UMC in downtown Indy. On Sunday, September 1st, AUMC will be needing people to volunteer to serve food at Roberts Park; and on Saturday, August 31st, to make PBJ sandwiches here at the church to take to Roberts Park.

Also, if you have gently used brooms, rakes, shovels, tarps, working bikes, or sewing machines, crutches, walking boots, canes to donate, please drop them in the Coat Room inside the main front door so that we can get them to Midwest Mission.

On September 8th, following the 10:00 am service we will have "card writing" hour. These will be for church members who are shut-in, those with health needs, and those serving in the military.

Lastly, AUMC will be hosting a blood drive on Sunday, September 29th, from 8:30 am - 1:30 pm.

If you haven't already signed up to participate in one or more of these opportunities to serve, we hope you will.

Blessings, The Missions Committee

I would like to take this opportunity to thank Patsy Porter, and Jane DuMond for their kind help in providing meals for my family during the month of July. After my fall and hospitalization, I was pretty useless in the kitchen. They both volunteered to help my husband keep us going during the month of July. Patsy and Jane, your meals were delicious and so much appreciated.

Bless you again for your help,
Alice King

This is not a formal "thank you" from Jeff Trees, but when I visited with him at Grand Brook Memory Care last week, we were talking about his birthday the week before (several of us from church went to celebrate with him), and he was proud to show me all the cards and notes he'd received from the Avon UMC family. So, on his behalf, I'd like to say thanks to everyone who helped brighten his spirit. It meant SO much to him!

Blessings,
Dave Marty

Mission U Experience

I received a scholarship to attend Mission U because it was my first time attending. If you haven't attended, you owe it to yourself. There you will experience "kin ships" and learn more about what it means to be a child of God.

More Than a Book Club will be switching gears and reading a biography, *Eli Lilly: A Life*, by James Madison for our September book. This 5-star reviewed biography gives us an in depth look at how Eli Lilly's long life extended over a wide range of endeavors in which he made major contributions to our community, the daily life of many of us and the world. Under his active leadership, the pharmaceutical company he joined in 1907 evolved into one of America's most successful big businesses, although a hard-working businessman, Lilly eventually acquired diverse interests outside the pharmaceutical industry. During the last three decades of his life, Lilly gave away millions of dollars personally and through the Lilly Endowment. This first, full-scale biography of Eli Lilly considers his private life, his modest but strong-willed character, his family and friends, his personal disappointments and satisfactions and his deliberate effort, beginning in his forties, to develop what he called "a proper outlook on life." Based on extensive research in Lilly's personal and business papers and on interviews with dozens of people who knew him, this is a revealing look at the life of an unusual man.

A limited number of the books have been borrowed from Indiana Humanities, Novel Conversations program. More Than a Book Club will meet on Monday, September 16th at 6:15 pm in the Gathering Place for conversation with the book discussion beginning at 6:30 pm.

Share Your Heart with the Holy Land in 2025

With tourism once again open in much of Israel, Dave and Mary Marty invite you to show your support for the people there by traveling with them on a "Bible Land Exploration" tour March 17-26, 2025.
